

## **The Battle Hymn of the Believer**

(2 Cor. 3:18; Col. 2:15; 3:1-4; 2 Tim. 2:4)

Pastor James Delany

- 1. Mine eyes have seen the splendor of the glory of the Lord,  
We behold Him in the mirror of the Word, the Spirit's sword,  
Christ the God-Man now in glory, is forever more adored,  
Christ is our victory!**
- 2. As we dwell upon the Savior and the Cross work He's performed  
We from glory unto glory in His image are transformed,  
To the world we died with Jesus; we refuse to be conformed,  
Christ is our victory!**
- 3. Christ arose and now is seated at His Father's own right hand,  
With Him risen, we're positioned in that fair and heavenly land,  
Looking always unto Jesus, we from heaven take our stand,  
Christ is our victory!**
- 4. Causing hearts to love the world and hoarding treasures here below,  
'Tangling soldiers in the earthly, 'tis the tactic of our foe,  
Though the battle for our hearts and minds still rages yet we know,  
Christ is our victory!**
- 5. On the Cross our foes defeated, hardship gladly we endure,  
Marching in His strength and power, for my weakness He's the cure,  
Christ in us the hope of glory, we in Him, the conquest sure,  
Christ is our victory!**

### **CHORUS**

**Glory, glory, hallelujah, Glory, glory, hallelujah,  
Glory, glory, hallelujah, Christ is our victory!**
