## God's Called-Out Assembly

These studies are produced by the **MIDDLETOWN BIBLE CHURCH** (349 East Street, Middletown, CT 06457). These lessons were originally intended for fourth, fifth and sixth graders, but the lessons could easily be adapted for use with older students, and even adults. To avoid confusion, please use the KJV. These studies may be reproduced with our permission. Thank you.

These lessons and hundreds of other Bible studies are available on our website:
