

Where is Your Treasure?

1 Timothy 6:6-19

Dave, a faithful believer, was once in the company of some unsaved people. Somehow they found out that he gave ten percent of his income to his Bible-believing church. They mockingly questioned why he should devote such a large portion of his earnings to such a ministry. Instead of defending his actions, Dave decided to turn the tables on one of the men in the group. He asked him a series of questions: “How much money per week do you spend on cigarettes? How much do you spend each week on alcohol? What about lottery ticket purchases?” It wasn’t long before the group recognized that the monies devoted to these unhealthy habits added up to far more than a tithe. Satan’s causes are well-funded by Satan’s children.

“Where your treasure is, there will your heart be also” (*Matt. 6:21*). The way in which we use our money is a very accurate indication of our spiritual life. Not many people know the details of our day by day expenditures. Such matters are usually kept private. What if they were to be made public? What if a detailed record of how we spent our money during the last three months were to be made known? This would be quite revealing. It would show our priorities and what we deem most important. It would reveal whether we are living with eternity’s values in mind. Are we investing in things which are of little lasting value? Most of all, it would show where our heart really is.

The Lord Jesus owns us completely (*1 Cor. 6:19-20*). All of our money belongs to Him. We are to be faithful stewards of what He has given to us. Only then can we lay in store for ourselves a good foundation against the time to come (*1 Tim. 6:19*).
